

Sponsors are a vital part of what makes our meetings possible. We welcome sponsorships and donations from large corporations to small businesses. A selection of sponsorship opportunities is available for companies who would like to promote their activities at the 29th Slovenian-Croatian Crystallographic Meeting:

Basic sponsorship (200 €) offers:

- Appearance of the company logo in the abstract book and on the web page.
- Acknowledgement to the sponsor in the opening and closing sessions.
- Company logo displayed prominently in the lecture hall during the sessions.

Table top exhibition space:

Booking of a table-top exhibition space and appearance of a full page advert in abstract book cost extra 200 €.

Oral presentation:

The oral presentation of your activity or product during the sessions is possible (extra cost of 200 € for 10 min talk, 300 € for 15 min talk and 400 € for 20 min talk). A submitted scientific abstract will be published in the abstract book.

Sponsors are kindly asked to confirm their interest in financial support by May 1st 2023. We are ready to discuss other ways of advertising also. All supporters (including donators) will receive acknowledgement in the abstract book and on the conference website. Sponsorships are subjected to VAT. If you would like more information about sponsoring SCCM 2023, please contact us at sccm2023@fkkt.uni-lj.si
